DOOR STYLES

FULL OVERLAY

PARTIAL OVERLAY

FULL OVERLAY

1.

Offer a polished and contemporary look, especially with the concealed hinges.

2.

The cabinet door covers nearly the entire face frame of the cabinet, leaving very little of the face frame showing.

3.

The doors attach directly to the sides of the cabinet box, offering a sleek and seamless look.

4.

Can significantly enhance the space's functionality, using every inch of space.

PARTIAL OVERLAY

1.

Covers part of the cabinet frame but leaves a portion of the frame visible around each door and drawer.

2.

For many kitchen styles, such as rustic, vintage, and traditional.

3.

Made from high quality wood, framed cabinets lend a welcoming warmth and coziness to the kitchen.

4.

They have many design possibilities, including different door mount styles like full overlay, partial overlay, and inset
