Welcome to UNITED HOTEL SUPPLY

At United Hotel Supply, we believe every guest experience begins with the right environment. From elegant lighting that sets the mood to durable flooring, comfortable furnishings, and smart in-room appliances — **we bring you everything** you need to create spaces that impress.

For over a decade, we've been the trusted partner of hotels, motels, and hospitality businesses across the nation, delivering **premium quality, reliable service, and competitive pricing.**

A modern lounge chair with dark blue textured upholstery and light wood legs is positioned in a sophisticated interior setting. To the left of the chair is a small, round, dark wood side table holding a vase with greenery and a small bowl. In the background, there is a large window looking out onto a garden, and a reception desk with a warm, glowing light fixture. The floor is made of light-colored wood with a herringbone pattern.

Lounge Chairs

Designed for lasting comfort and durability, our lounge chairs combine refined craftsmanship, commercial-grade materials, and customizable upholstery to complement sophisticated hospitality spaces.
