SHOWER WALL PANELS

Premium Shower Surfaces Without The Maintenance Of Tile.

Our Cultural marble shower wall panels provide durable, grout-free surfaces designed for hospitality bathrooms and renovation projects.

With 30+ patterns, multiple finishes, custom sizing, and a range of colors, they offer a streamlined alternative to traditional tiled shower surrounds.

Designed for Faster Installation

Grout-Free | Stain-Resistant | Resists Mold + Mildew

Quick Installation

One-piece panels and drop-in shower pans simplify installation, reducing the need for tile cutting, grouting, curing, and sealing.

No Waterproofing Required

Install Over Existing Tile

One-Piece Marble Panels

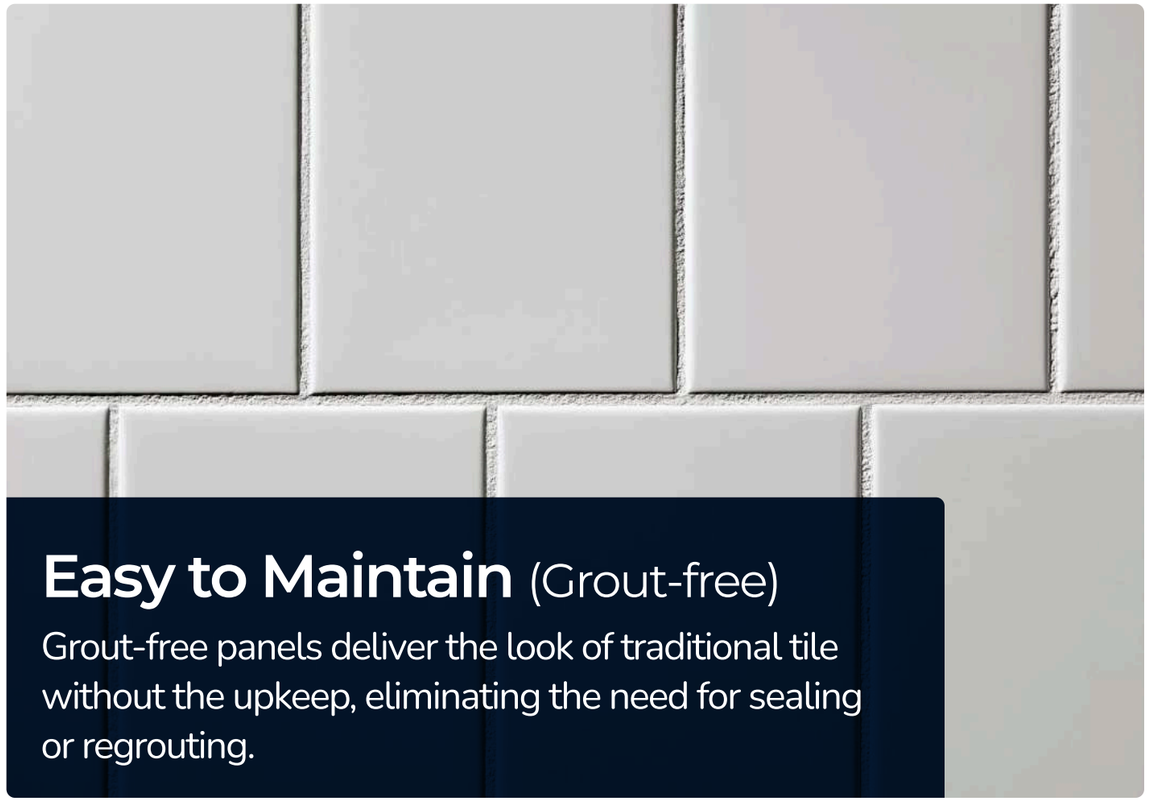

Stain-Resistant

Non-porous cultural marble resists mold, mildew, and everyday stains while allowing deep cleaning without damaging the durable gel-coat finish.

Built for Durability

Cultural Marble construction provides lasting strength, designed to withstand repeated guest and resident use while maintaining its appearance.

Easy to Maintain (Grout-free)

Grout-free panels deliver the look of traditional tile without the upkeep, eliminating the need for sealing or regrouting.
